

CERTIFICATE III IN Early Childhood Education and Care (Full Certificate)

You will be enrolled into a current qualification. The CHC30121 ECEC course reflects the role of educators in early childhood education and care who work in regulated children's education and care services. This course teaches you how to support children's development when working with babies or children up to 6 years in family day care, or centre based service and up to twelve years in a before or after school care service or vocation care environment.

Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens, before and after school care and school holiday programs
