6 June 2025

Dear Parents/Guardians,

The 2026 subject selection process for Year 11 into 12 will commence early Term 3. We are providing this information now to give families ample time to have meaningful conversations leading up to subject selection and to put these key dates into your planners. Parent engagement is valued, and we look forward to working with families to support students in achieving the best outcomes through selection of programmes tailored to their individual strengths, areas of interest, and ambitions.

Please find below important information for you and your child.

**Thursday 31 July, Lesson 5**

- Student Information Session

**Friday 1 August**

- Subject Selection Portal opens
  - The access link will be emailed directly to your student's email address. After discussing subject selection with your child, they can submit their preferences. You will then receive a link to sign off on the subjects they have selected on the portal.

*Please read if your email is a Gmail account*

4. Check the **Never send it to Spam** box and click **Create filter**

**Note:** You may also like to check "Also apply filter to matching conversations" to remove any previous emails from [noreply@selectmysubjects.com.au](mailto:noreply@selectmysubjects.com.au) from the Spam folder.

**Friday 31 October**
