

29 June 2026

Dear Parents/Guardians,

The 2027 subject selection process for Year 11 into 12 will commence early Term 3. We are providing this information now to give families ample time to have meaningful conversations leading up to subject selection and to put these key dates into your planners. Parent engagement is valued, and we look forward to working with families to support students in achieving the best outcomes through selection of programmes tailored to their individual strengths, areas of interest, and ambitions.

Please find below important information for you and your child.

Thursday 30 July, Lesson 5

- Student Information Session

Friday 31 July

- Subject Selection Portal opens
 - The access link will be emailed directly to your student's email address. After discussing subject selection with your child, they can submit their preferences. You will then receive a link to sign off on the subjects they have selected on the portal.

Please read if your email is a Gmail account

To prevent emails from "Select My Subjects" going to spam in Gmail please complete the following steps:

1. Open **Gmail** and sign into your account
2. In the search bar, type [from:noreply@selectmysubjects.com.au](mailto:noreply@selectmysubjects.com.au) and click the Filter icon
3. Click the **Create filter** button
4. Check the **Never send it to Spam** box and click **Create filter**

Note: You may also like to check "Also apply filter to matching conversations" to remove any previous emails from noreply@selectmysubjects.com.au from the Spam folder.

Friday 14 August

- Portal closes.

Friday 30 October

- Subject confirmation will be emailed to students.

CAREERS APPOINTMENTS

Careers appointments are available to be booked via this [link](#). We encourage all students to book a Careers appointment to discuss their options and receive guidance on their educational journey.

Bookings can be made via this [link](#). Students can only make the bookings from their laptops using their College email address. For career enquiries please email careersstaff@notredame.vic.edu

Please note that this is an extremely busy time for our Careers Team. We strongly encourage students to book their careers appointments early to ensure they can secure an appointment.

COURSE HANDBOOK

Prior to the information sessions, the *Senior Pathways Handbook* will be available on the College website > Learning and Teaching > Curriculum > Senior Pathways Handbook

Please note that the submission of subject selections for the upcoming year does not guarantee automatic progression to the next year level. Student progress is monitored throughout the year, and decisions regarding progression are based on a range of factors, including academic achievement, attendance, engagement, and overall readiness.

If there are any concerns regarding your child's suitability to progress, the relevant Head of House/Community will contact you directly to discuss this further.

For subject queries, please email SubjectSelection@NOTREDAME.vic.edu.au

Yours faithfully,

Casey Fogarty
Director of Teaching and Learning: College Programmes
