Strategic Plan

2024–2028

Notre Dame
COLLEGE

To Seek, To See, To Respond

Notre Dame College is a Catholic co-educational secondary college located at Shepparton, in the Goulburn Valley. Based on our faith in God and built on our Marist-Mercy traditions, we provide a comprehensive and challenging educational experience for all students and staff in a faith-filled, pastoral community.

Together with families, we strive to develop the full potential of each individual within a just and caring Christian community.

Our Vision

To Seek, To See, To Respond.

We seek to grow our Catholic community and develop high-achieving and globally connected students who see their responsibilities to themselves, each other and the communities in which they live and who respond as good citizens and people of faith.

Our Values

Justice and service
Compassion and respect
Courage and humility
Service and the love of work
Family and hospitality

OUR STRATEGIC INTENT:

Notre Dame College is a Catholic learning community built on high expectations.

We believe in, and commit to, creating a vibrant environment where high expectations are the foundation for our College community.

STRATEGIC DIRECTION

Our Catholic Community

We develop the whole person: head, heart, and hands. In our Marist and Mercy traditions we provide a hope-filled community centred around faith and service.

STRATEGIC GOALS

To make Jesus known and loved.

To celebrate our Catholic Identity and recognise First Nations and other cultures.

To provide opportunity for Faith in Action.

STRATEGIC DIRECTION

Our Learning Community

We provide a rigorous, challenging, and engaging learning experience for every student. We are committed to continuous improvement and best classroom practices to ensure that every student is well-prepared for their future.

STRATEGIC GOALS

To ensure consistent enhancement of classroom practices and curriculum mapping.

To provide high-impact pedagogical strategies that ensure student learning is relevant, contemporary and differentiated to their needs.

To utilise data to drive continuous improvement and student academic growth.

Our Healthy and Well Community

We are a community that is respectful and inclusive, and challenges all to experience personal success in a safe environment.

STRATEGIC GOALS

To create an inclusive environment.

To create opportunities for those in our community to experience personal success.

To ensure all those in our environment are safe.

Our Staff

We foster resilience and innovation; inspiring our staff to pursue personal and professional growth. Mutual respect and collaboration shape our interactions.

STRATEGIC GOALS

To celebrate the successes of our staff.

To support staff by providing ongoing professional development which is specific and targeted.

To ensure effective modes of communication between all staff.

To build connection and the capacity for collaboration between staff.

Our Stewardship

We allocate our human, financial and physical resources with a high level of care, attention, and responsibility, at all times considering the environmental impacts of our actions.

STRATEGIC GOALS

To ensure sustainability principles underpin our human, financial, and physical resource allocation.

To ensure environmentally sustainable principles are embedded across all aspects of our College community.

Graduate Outcomes

We aspire our graduates to be:

Nurturing of their spiritual lives inspired by our Catholic faith.
Respectful and welcoming of other religious beliefs and cultures.
Citizens with a strong social conscience.
Resectful in their care of self and others.
Successful in their educational goals and life pursuits.
Reflective, resilient, curious, lifelong learners.
Responsible environmental stewards.
