

9 October 2025

Dear Parents and Carers,

Catholic Education Sandhurst Ltd is pleased to announce an exciting partnership with world-renowned educational neuroscientist, Dr Jared Cooney Horvath, who conducted our diocesan wide three days of professional learning at the beginning of term 2. Jared is a global leader in the Science of Learning, and his work offers powerful insights into how students learn and how we can best support them to thrive at school and beyond.

As part of this partnership, Dr Horvath has developed a special series of presentations specifically for parents and carers, focusing on how to understand and support children on their learning journey.

We are delighted to be able to share these three informative recordings with our school community as we continue our shared mission of helping every student reach their full potential.

Please see below for the presentation topics.

Details	Presentation Mode	Date and Time
Recording 1: Stress, Tech and Sleep	Video link*	15 October 2025 7:00pm – 8:15pm
Recording 2: Surviving Study – Understanding the three keys to learning and memory	Video link*	29 October 2025 7:00pm – 8:15pm
Recording 3 Brain Development – Why we act like we do	Video link: <i>To be shared on Notre Dame social media platforms</i>	

***An invitation is extended for you to join us at the Notre Dame College Bishop Joe Grech Centre to watch these videos together over a light supper. Please [click here](#) to RSVP.**

We will be distributing the video links just prior to each session for those of you who are unable to attend in person.

We are excited to bring Jared's expertise into our school community and thank you for your ongoing support and engagement. You can find out more about Jared [here](#).

Yours sincerely,

Emma Reynoldson
Acting Principal
